TAG AVIATION IS NOW THE NUMBER ONE SAN MARINO AIRCRAFT OPERATOR

News / Business aviation

TAG Aviation has been officially recognized as the largest Aircraft Operator by the San Marino Aircraft Registry. This represents a great success story for TAG Aviation, bringing its fleet under this Air Operator Certificate (AOC) to 15.

David R. Colindres, President, San Marino Aircraft Registry, comments: "Our two organizations have developed over the years a strategic partnership that has led TAG's operations into historic achievements. We are very glad to have the opportunity to collaborate with TAG Aviation over the past three years. We appreciate their business, professionalism and compliance with our rules and polices. In addition, their cooperation has helped our Authority carry out regulatory tasks efficiently and has led to a respectful business relationship between our two companies. We congratulate TAG's teams for this achievement and wish TAG Aviation the success that it deserves!"

As the newest AOC in the TAG Aviation stable, the San Marino AOC is an important solution for TAG Aviation in its ability to provide aircraft management and charter services to its clients worldwide. Having established the operations less than four years ago with a single Gulfstream 650ER, the San Marino AOC has allowed TAG Aviation to widen its range

of bespoke services by offering the flexibility of various operating solutions.

“The success of the TAG Aviation San Marino AOC demonstrates that close cooperation between two professional organisations creates mutual benefit and fosters respect. The clear guidelines, policies and procedures provided by the Registry and Civil Aviation Authority makes our product predictable, scalable and efficient. This is essential for TAG Aviation in order to serve the needs of our clients in a timely and compliant manner. The flexibility of the team in San Marino reduces traditional barriers whilst maintaining the highest levels of oversight and safety. A winning formula”. Ray Wilson, Accountable Manager TAG Aviation San Marino.
