

JETSUITE INC. CELEBRATES 10 YEARS OF CONTINUOUS OPERATION IN 2019

News / Business aviation

[JetSuite, Inc.](#) is pleased to announce that it will celebrate its tenth year of operation in 2019, as the first and only premium experience in the light jet category. Delivering flying experiences that move the soul, JetSuite is an industry-leader providing individualized service, distinctive amenities, a fleet of state-of-the-art jets, and the friendliest, most knowledgeable pilots in the industry.

Moving into this landmark year, JetSuite is looking ahead to the arrival of new aircraft joining its fleet, enabling the company to offer a wider array of private aviation solutions. JetSuite is also elevating the overall passenger experience through the introduction of luxurious in-cabin amenities from world-renowned brands, deepening its commitment to infusing every trip with the spirit of hospitality.

"We are proud that in the highly competitive world of private aviation, JetSuite now stands as one of very few operators to achieve this ten-year milestone," said Alex Wilcox, Founder & CEO, JetSuite, Inc. "Since day one, JetSuite has been deeply committed to bringing innovation to private aviation and maintaining the best customer experience in the industry. As a result, we are well-positioned for significant growth as we enter our second decade."

JetSuite's current fleet consists of the Embraer Phenom 100 and 300 aircraft and the company has flown more hours to-date on these aircraft than any other operator in the world. Fueled by investments from Qatar Airways and JetBlue, the company is preparing to add additional, larger aircraft to its fleet in mid-2019 that will provide a greater range of options for JetSuite clients.

Further enhancing the passenger experience, JetSuite has unveiled a collection of amenities curated in partnership with leading luxury brands. From a signature cabin scent by Paris-based fragrance house **Diptyque** and **Venus et Fleur's** Eternity Roses on every flight to vegan and cruelty-free **Red Flower** amenity kits, a new line of onboard snacks curated by gourmet foods purveyor **Torn Ranch** to luxurious and sustainable JetSuite-branded blankets by **Coyuchi**, JetSuite has hand-selected partners who epitomize luxury, sustainability, and relevance. Ensuring every traveler is equally pampered, JetSuite has also partnered with **For the Furry** to offer customized amenities for passengers' four-legged friends. JetSuite will continue to innovate and evolve these offerings with the announcement of additional partnerships throughout the year.

"Approaching this landmark anniversary, we have taken a closer look at what our customers love about JetSuite as well as how we can better serve their private aviation needs. Beyond our track record for exemplary customer service and the expertise of our pilots, we took a close look at how we can infuse thoughtful and luxurious touches to further elevate the JetSuite experience," said Stephanie Chung, President of JetSuite. "In the coming months, we will reaffirm our position as a leading private jet operator, adding new aircraft to our fleet while elevating every single customer touchpoint to take JetSuite to new heights."

Coinciding with changes being made to the products and services, JetSuite has refreshed its SuiteKey membership program, providing clients with preferred, fixed hourly rates, no repositioning fees, 365-day access, and guaranteed availability with 48 hours' notice. Clients simply deposit at the Chairman, Founder, or Executive levels and fly against those funds, starting at \$100,000. SuiteKey members also have access to exclusive events and offers from JetSuite's partners. For those who fly less frequently, JetSuite will continue to offer on-demand charter services. Regardless of how customers choose to fly, they have access to JetSuite's guest services team via phone and email.
