

LUXAVIATION CELEBRATES PRAETOR 600 LAUNCH AT EXCLUSIVE LONDON BIGGIN HILL EVENT

News / Business aviation

Marking its entry into the UK charter market, Luxaviation has showcased its first Embraer Praetor 600 at a celebratory event held on 31 January 2024. The exclusive gathering, held in collaboration with Embraer Executive Jets, Hemmels, and SUPPER London, introduced the aircraft at London Biggin Hill Airport where the aircraft will be based.

George Galanopoulos, CEO of Luxaviation UK, commented: “We are very proud to introduce the Embraer Praetor 600 to our fleet. With demand for this size of aircraft increasing, we are confident that its placement at London Biggin Hill will be very attractive to our customers in London and the south-east. It is a beautiful aircraft and, combined with our unrivalled customer service, will provide our clients with the comfort, efficiency and luxury they expect from Luxaviation. I would like to extend our gratitude to all our partners and guests who attended the launch event. It marked a significant milestone in our commitment to meet the ever-evolving aircraft demands of our valued customers, from guaranteed inflight connectivity and entertainment, to accessing new

destinations.”

Robert Walters, Commercial Director at London Biggin Hill Airport, said: “We were delighted to host Luxaviation’s event and welcome their Praetor 600 into the UK charter market. We look forward to supporting the team as they continue to develop their charter business from London Biggin Hill. Luxaviation and its customers will benefit from the exemplary services we provide and have access to our London Heli Shuttle, which takes just six minutes to and from the heart of the capital.”

Patrick Hansen, CEO, Luxaviation Group, stated: “The addition of the Praetor 600 marks a great start to 2024 for Luxaviation in the UK. Our team and our crew are looking forward to introducing the aircraft to our clients and showcasing our stellar customer and operational service.”
