

# MBA PROVIDES MAINTENANCE CASH FLOW FORECAST FOR CLAS US\$713 MILLION ABS DEAL

News / Finance, Maintenance / Trainings

Morten Beyer & Agnew (**mba**) provided Castllake, L.P. with **Maintenance Cash Flow Forecast** and General Market Analysis for their Aircraft Securitization Trust (“CLAS 2015-1”) consisting of fifty-four (54) aircraft and six (6) engines (the “Portfolio”), subject to twenty-three (23) operators, spanning eighteen (18) different countries.

CLAS 2015-1 was made public last week totaling US\$713 million in asset backed debt. The Portfolio contained widebody, narrowbody, regional, turboprop, and spare engine assets manufactured by Airbus, Boeing, ATR, Bombardier, Embraer, CFM, and Pratt & Whitney.
