

FL TECHNICS LANDS COMAIR LIMITED AS A NEW CLIENT

News / Maintenance / Trainings

FL Technics, a global provider of integrated aircraft maintenance, repair and overhaul services, has announced the signing of an agreement with Comair Limited, a private domestic airline operator in the Republic of South Africa listed on the Johannesburg Stock Exchange (JSE).

Comair Limited is a South African aviation and travel company, offering scheduled and non-scheduled airline services within South Africa, Sub-Saharan Africa and the Indian Ocean Islands, as its main business. The company operates under its low-fare airline brand, kulula.com, as well as under the British Airways livery, as part of a license agreement.

According to the agreement, Comair Limited will receive extended Base maintenance services. “The first aircraft, a Kulula.com Boeing B737-800 is being completed a 6YR C Check”, - said Zilvinas Lapinskas, CEO at FL Technics.
