News / Maintenance / Trainings

Metrojet Limited (www.metrojet.com) is honoured to have been awarded the Caring Company 2021/22 logo by the Hong Kong Council of Social Service (HKCSS). The award is in recognition of Metrojet's efforts towards social responsibility and commitment to its employees, the community, and the environment.

Being the longest-serving business jet operator in Hong Kong, Metrojet has initiated and participated in numerous sustainable and community-related activities over the past many years. The Metrojet Staff Recreational Committee organises “A Day with Food Angel” every year for the team to assist in preparing food and meal boxes for the needy in Hong Kong. To provide a chance for the younger generation to explore the business aviation industry, Metrojet continuously recruits interns from Hong Kong local universities. One of the Lead Captains, Stewart Borg, put in significant effort with Metrojet’s Flight Operations team to provide planning support for Pacific Mission Aviation in the Islands of Micronesia, a voluntary maritime rescue and aeromedical service operator. Metrojet believes in giving back to the community, both locally and regionally.
