

# BOEING WINS \$922 MILLION PENTAGON DEAL FOR 117 APACHE HELICOPTERS

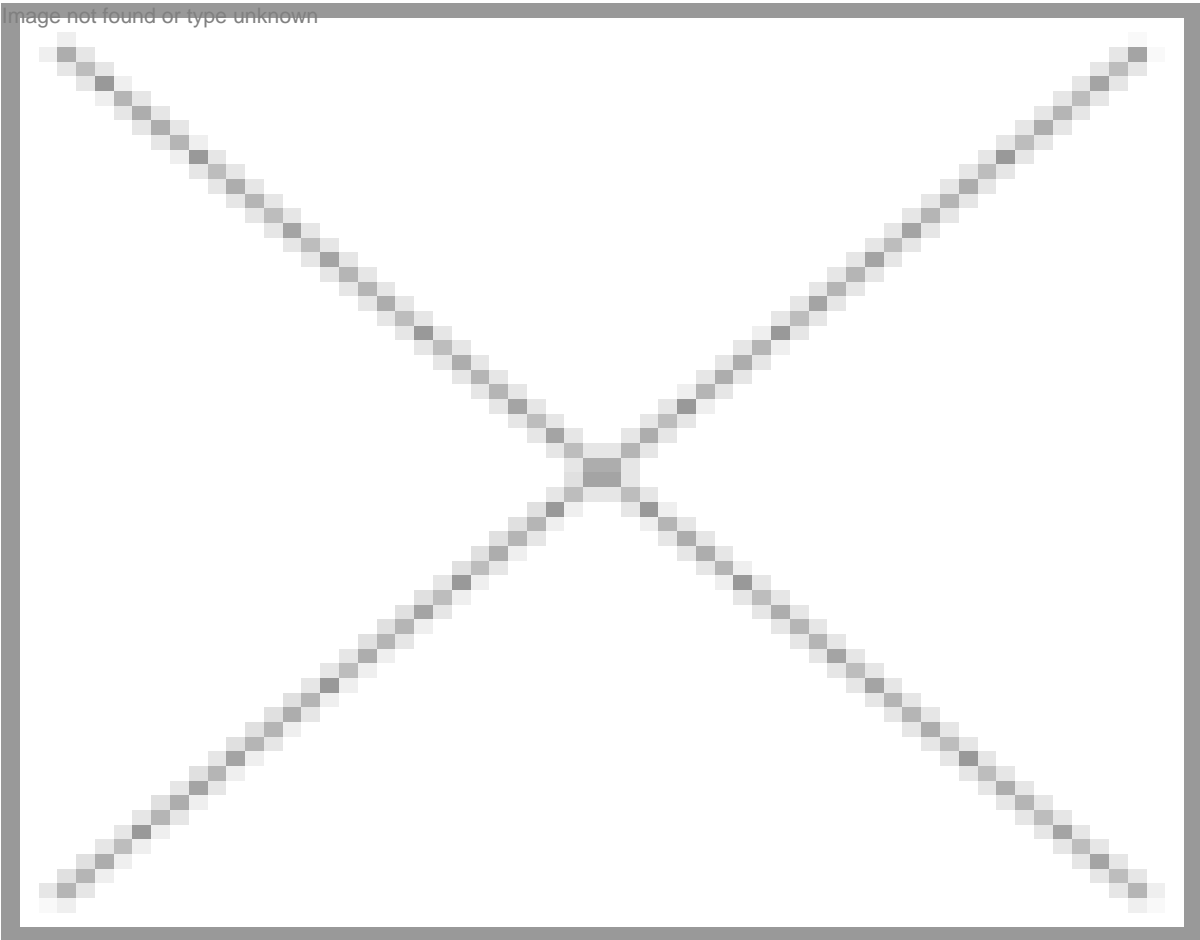

News / Manufacturer

The U.S. Defense Department on Thursday said it awarded Boeing Co a \$922.63 million modification to a contract for 117 AH-64E remanufactured Apache helicopters for the U.S. Army.

The work will be done in Mesa, Arizona, and the completion date is estimated at May 31, 2018, the department said in a statement.
