

SAFRAN SEATS LATEST ECONOMY CLASS SEAT Z110I CERTIFIED ON EMBRAER E-JETS

News / Manufacturer

Safran Seats latest generation of economy class seat, the Z110i is now certified on Embraer E-JETS. The Z110i is a versatile solution: it is equipped with a large range of pre-certified options allowing it to cover a wide range of applications and airline preferences.

Airlines can choose Z110i as a very light seat with no recline to a fully comfortable seat with all the options. It is also an efficient solution with an overall light weight, available in short lead times and with a reduced parts count for ease of maintenance and enhanced reliability.
